*Mercury Free* James E. Hardy, Hardy, 1996 Dr James E Hardy is one of the few dentists in the world who has never used a common silver mercury dental filling in his practice He has written a book explaining why dental mercury should be banned

Consumers need to be more aware of dental mercury's dangers. Medical and environmental consequences of mercury exposure are covered. Practical advice is given on how to become mercury free by using safer stronger replacements for amalgam. Mercury Free is written in an easy to digest vignette format. The book's markets are dental consumers, health care workers, the environmentally conscious and concerned parents. The book is fully supported by more than 350 scientific references and includes letters from people who have gone from sickness to health by becoming mercury free.
