Top 40 Charts, 2009 Music **Chicago Top 40 Charts 1960-1969**
Ron Smith, 2001-08-01 We Americans love to rank things Whether it's the top television programs or movies at the box office we have a burning desire to know when something is number one Music is no exception Music charts have been around as long as recorded music and radio programs from Your Hit Parade to American Top 40 have capitalized on the idea of counting down the day's top hits It is said that the first printed radio survey of the current top tunes was the WIND Top 21 in Chicago Whether that's true is irrelevant Because of it Chicagoans got into the habit of picking up a list of the latest hits at their local record stores When ABC bought WLS The Prairie Farmer Station in 1960 and switched it to the fledgling top 40 format it soon followed with the Silver Dollar Survey of Chicago's top 40 tunes For over 30 years WLS and its FM successor WYZZ kept the surveys going each week And with its 50,000 watt clear channel signal and enormous respect in the industry to be listed on WLS survey was perhaps more of an honor than to appear on the national Billboard Hot 100 Chicago Top 40 Charts 1960-1969 documents those songs that dominated the Midwestern airwaves during that decade considered by many to be top 40's golden age Many of the songs listed did not appear at all on the national charts Others including local acts fared much better in Chicago than in the rest of the country Chicago Top 40 Charts 1960-1969 contains an alphabetical listing by title and by artist of every tune listed on the WLS Silver Dollar Surveys during those years It also lists the top 40 songs of each year and for the entire decade as well as a supplemental listing of songs on the station's Rhythm and Blues chart of 1964 For those who grew up listening to radio in the Windy City as well as for record collectors from anywhere Chicago Top 40 Charts 1960-1969 will be a valued addition to any music reference library
