Each book includes Case studies, Practical exercises, Monitoring sheets, Overcoming Depression 3rd edition. If you suffer from depression, you are far from alone. Depression is very common, affecting over 300 million people around the world. Written by Professor Paul Gilbert, OBE, internationally recognised for his work on depression, this highly acclaimed self-help book has been of benefit to thousands of people, including sufferers, their friends, and families, and those working in the medical profession. This fully revised third edition has been extensively updated and rewritten to reflect over ten years of new research on understanding and treating depression, particularly the importance of developing compassionate ways of thinking, behaving, and feeling. Overcoming Mood Swings: Most people know what it is like to experience high or low spirits. For some individuals, however, emotional extremes can seriously disrupt their lives, either because they happen too frequently or because the mood swings are intense and are accompanied by other symptoms of depression or mania, often referred to as bipolar disorder. This practical self-help guide provides background information on depression and mania and offers tried and tested techniques that will help the reader identify and manage their mood more effectively and achieve a more stable emotional state. Overcoming Low Self Esteem: A self-help classic, winning acclaim.
