**QuickStart Leadership** Larry L. Craft,Craft Systems, Inc,2004      **Self-science** Karen Stone-McCown,Joshua M. Freedman,Anabel L. Jensen,Marsha C. Rideout,1998 Self Science is a curriculum and a process for teaching social and emotional skills It is a flexible framework where students do activities or experiments that lead to discussion and learning The students own experiences concerns and questions drive the content so the process works with people from all kinds of backgrounds all ages an all levels Self Science fuses cognitive and affective learning students build feeling and thinking skills at the same time Rather than telling children what not to do Self Science provides multiple options of what to do It helps children become more aware of themselves and make more conscious decisions about the ways they think feel and act independently and interdependently Nationally and internationally parents and teachers are increasingly concerned about school culture and emotional intelligence competencies Issues of exclusion violence depression and under achievement are all addressed within this preventative comprehensive program Self Science so named because emotional intelligence grows from the study of ourselves and our relationships is one of the few comprehensive developmental and research based curricula for creating a school wide culture of emotional intelligence The Self Science program creates a fundamental shift in the structure of the school toward collaboration inclusion and humanism Part of the power of Self Science is its flexibility Once a facilitator understands how a lesson flows she or he can easily adapt any current topics other exercises and even academic subject matter into the lessons In addition Self Science can be taught as a stand alone class or folded into existing programs such as class meetings advisory life skills or community service      [Quick Guide to the Internet for Psychology](#)  
Fred W. Whitford,Doug Gotthoffer,1999-06      **Emotional Intelligence Handbook** Ramit Gupta,2020-01-02 Emotional Intelligence Is Your Ticket To Success Take the first step towards mastering your social skills and turning your life around today The secret to success isn t always about technical skills In fact that plays a very small part in the grand scheme of things I mean if you think about it we all know a braniac wiz who just can t get ahead in life and when we look at them it s quite obvious They don t know how to socialize deal with conflicts or even manage their own emotions But here s the twist many of us are this same way just not at the extreme end of the spectrum Sure we may be playing the EQ game 10 times better than the braniac but what if we played it 100 times better What if we were so conscious of our own emotional intelligence and of the people around us that we could have massive control in every social situation with just a little bit of knowledge of soft skills and communication skills You see that s the secret to success it s your emotional intelligence how well you empathize and bond with others as well as how conscious you are of your own emotions Unfortunately or fortunately for you since you re reading this most people don t actively study these skills That s a good thing for people who do study

these skills and want to get ahead in life because when it comes to emotional intelligence there are only two types of people who really understand it There are the naturals who can control a room with their charm without even trying and then there are those who have sharpened their emotional intelligence to the point where they can not only compete with the charm of the naturals but surpass them harnessing the true power of emotional intelligence and strategically using when it s most needed In this book I help you get to that level I introduce you to the basics of emotional intelligence soft skills and some of my favorite tips for becoming a better communicator by appealing to the emotions of others I ll also teach you about your own emotional levels tactics you can take to reduce stress in the heat of the moment overcoming disempowering emotions and tricks to relating to others on an emotional level using nonverbal communication The best time to sharpen your emotional intelligence was yesterday and the second best time to do it is today Are you ready to take control Here Is A Sneak Peek Of What I ll Teach You The 4 Components 4 Branches Of Emotional Intelligence My 3 Steps For Mastering Stress Immediately My Emotion Pinpointing Technique The 3 Nonverbal Tricks For Emotionally Relating To Others How To Lighten The Mood In Any Situation The Power Of Soft Skills The 3 Ways You Sabotage Your Own Communication The 4 Stepping Stones To Good Communication The 6 Best Tips To Improve People Skills Much much more The longer you wait to develop your emotional intelligence the more opportunities you miss out on Download your copy today and watch your EQ skyrocket
